Beste mensen,

Via de stichting Adullam heb ik contact gehad met een zendeling met dezelfde naam Raju in India.

Het blijkt dat de afzender van de onderstaande mail geen zendeling is, maar een 'bedelaar'.

De andere Raju is betrokken bij zendingswerk in zowel Hunsur als in de staten Karnataka en in Tamil Nadu.

Bijgaand een foto, met daarop twee Nederlandse werkers.

De oudere is broeder Beekhuizen, die intensief contact heeft met de zendeling Raju.

U kunt meer info vinden op <http://www.adullam.nl/category/media/>

Ik hoop dat u mij deze mailwisseling niet kwalijk neemt.

Het was mijn bedoeling duidelijkheid te krijgen en de werkelijke zendeling niet te beschadigen.

Nav een reactie heb ik jullie mailadressen nu in de bcc gezet.

met vriendelijke groet,

Cor Bunk

Beste broeders,

Ik kreeg ook dit jaar weer een mailtje van deze man.

Heeft iemand van jullie ooit duidelijke info over deze man gevraagd / gekregen?

Ik ben ook erg benieuwd hoe hij aan onze adressen is gekomen.

met vriendelijke groet,

Cor Bunk
